---

Dear Teachers,

The Salisbury Zoo is now offering bagged lunches for students during your next field trip to the Salisbury Zoo!

Student lunches will be available in two options; as outlined in the right-hand column. All student lunches will cost \$5.00 each.

For your convenience, lunches will be packaged in a brown paper bag with an appropriate label on each of them. Lunches will then be delivered and distributed by Zoo Staff, via cart, to whichever location you prefer, such as the Ben's Red Swings Playground and etc.

If interested, Zoo Staff will need, at a minimum, two weeks notice to package your orders.

Thanks again for your interest in the Salisbury Zoo and we hope to see you soon!

Regards,

Salisbury Zoo Staff

---
